“ Oh my goodness Debbie, Danny is with God and Jesus and the Holy Spirit now. I am sure he is asking the Holy Spirit all of those mysterious questions that you only get answers to when you are in heaven. I know he is having a wonderful time celebrating God's glory.

Danny was my mentor, my friend and one of my heroes. He was a very special and unique person, and I am so much more better off for having known him. Joelle and I really enjoyed the times the four of us were able to get together.

Joelle and I will be praying for you and for Danny and your children and grandchildren.

God will always love you, Jesus will never forsake you, and the Holy Spirit will always guide you.

“ My heart is heavy this week. So much love to Mrs. Hutchins, Denel and Danny. Mr. Hutchins was a great man, and such a loving person. To so many of us, he was genuinely like a parent. He was generous to all that were less fortunate. In teenage life he explained that our mistakes did not define us and they were mistakes on our path. In later years he gave great advice and always had a hug when you really needed it. The Hutchins family opened there home and hearts to so many. In hard times it was a safe place and all felt welcomed. Mr. Hutchins told me many times to put my faith in God and things would take a different direction. I thank him for that. I especially thank Nelly for sharing your amazing family with us. Mr. Hutchins will be forever missed and thought about often.

“ There are too many good things to say about Danny, I am sure this page will be filled with amazing memories and testimonials of his generosity and care for so many people he and Deb have loved with the love of Jesus. We are one of those testimonials. My husband, Oz and I have been forever changed by their love and kindness, their sincere care of our family and their friendship and wisdom. He will be very missed in our hearts and in our lives. Thank you Danny and Deb for who you are and how you revealed your love to us!!

“ When I think of Danny I remember all the times at Bethesda that he always had a smile on his face and loved to laugh and joke around. We were close in age so we were usually in the same youth departments. Only good memories that will always remain !
