TAMULEVICH, DAVID PAUL Age 75 June 27, 2023. It is with deepest regret to inform you of the passing of Dave Tamulevich. Dave had an 18 month battle with Pancreatic Cancer.

Dave started in the Primeway Fab dept in 1967 part time while finishing his business degree at Wayne State. He was also a guitar player in the 60's band Lazy Eggs that had a top 20 record on the Detroit charts. During this time, he married our sister Nancy and would have been married 55 years this year.

On his return in 75' he went to work at Union Steel Stamp which Ping had recently bought, which was located next door to Primeway in Detroit. He also bartended at night to help out at The Champagne Lounge that Ping also owned and was next door to Union Steel Stamp. Dave worked periodically in different positions for all the companies over the years but eventually settling in at Union which he helped turn into a Mold company that he ran until its closing in 2006. Dave worked in the Cleary benefits area until 2011 when he retired

“ *I met David 37 plus years ago when I joined the Cleary family. I remember him as the one who always smiled, encouraged and was the little bit of the outsider that drew you in. Did not know Nancy, and the relationship with the people I worked for. They just all engaged you personally. My sister Sheila started working for the Med Tech division and eventually moved into the Union Steel group and found her place. She and Dave were sometimes like siblings, sometimes friends, but never disrespectful of each other. Dave will always have that place in my heart that so many of this amazing family did. May God bring you peace and let that perpetual light of yours shine on through the ones who you brought into this life.*

“ Met Dave many years ago when I was 18. He was always light hearted and had a great laugh. we often talked guitars and he talked about the time he was on CKLW's Rockin Robin Seymore and forgot to play his guitar part because he was watching himself on the monitors. also how Shirley loved to hear him play the girl from Ipanema. He was always very supportive and will be greatly missed.

“ *I'll never forget the excitement all of us grandparents had when Isabella made her entrance. We all ran in different directions to see her. It's been a pleasure to serve with you on the grandpa board of directors. As I mentioned to you before, your son Michael, our son in law, is one of your greatest accomplishments. His kindness, fatherly instincts along with patience and lovingly humorous demeanor are wonderful qualities he got from you.
Dave, You fought the good fight and your legacy will go on in your children and grandchildren. God bless you and Nancy as your loved one's you have missed welcome you home.
