“*Knowing Deane was an honor. A finer man there is not. What I see when I think of Deane is his perpetual smile that always lit up his face. He was also one of the kindest friends I've ever known. We will never forget you, your spirit, your friendship, your good attitude, and your love of your family. You were the best companion I could ever wish for for my best friend forever, Kathy. Love you and will now always miss you.*Susan Perkins”
