“Words cannot begin to describe the sorrow we feel at having lost such a loving soul. My Aunt Debbie was more than just an aunt to me, she was my godmother and friend. A woman who loved her family more than anything and always had her yard looking beautiful so that her grandkids could come out and enjoy the lake. Truly one of the most kind people I have ever had the honor of knowing and even more so to be blessed to be able to call her my godmother. I am so thankful as well that our daughter Evelyn had the privilege of being able to meet her while she was with us. As we all mourn in our own way, I am also reminded to be happy. God has called his loving daughter home to Himself, to be with Him for all eternity. To bask in the rays of His goodness and love and where she will continue to look over her family.”

“With deepest sympathy on the loss of our dear friend. We will miss you beyond words - always in admiration and awe of your rebel spirit during your journey - no pretense there - just our Debbie living life large, hard and with great heart. We look forward to that time when we see each again to share our stories of love, life and what have you been "doin" since the last time I saw you. Love ya always, sister!
Doug & Dawn B.”
