“*Mike - I am so very sorry for your loss! I think of you often and how kind you treated me at Shane Steel. I know you were a great husband and friend to Deb, remembering the stories you would share with me and Al Busch. I also know you are a great and strong father for your daughter Isa. Both of you will be in my prayers! Again, I am so sorry.*”

“*Such sadness fills our hearts today. Debra was such a bright, loving, and energetic person. Our son truly loved having her as his Spanish II teacher last year. From the first time we met her, we could see that she possessed an incredible passion for teaching, and loved every moment with her students. Our thoughts and prayers are with her family.*”

“*Best big sister ever. I always knew I could pick up the phone whether it was advice for my kid's education, my business, or helping to make family decisions. We loved to share our gardening ideas, and I will miss our annual Mother's Day shopping trip. She knew her role as a big sister and used it accordingly when she felt she needed to. Our cottages near each other were our refuge, and I will miss all our talks on the beach, especially getting her all riled up about school. A piece of my heart is in heaven now. The void left in our family is immeasurable.*”

“in the snow,  
did we know,  
time was dear,  
we were near, moonlit night,  
all was right,  
island sands,  
friends join hands, so long away,  
what to say,  
we look above,  
and send our love”

“Mrs. Bruno was a wonderful teacher. I had the privelege of having her for two years back when I was in junior high almost 20 years ago. Her love for Spanish showed in her teaching, her creative way of decorating the room with Spanish words and helping us remember other things with songs. When you were in her class you felt important, she even gave you your own Spanish name that she called you during class and you couldn't help but love Spanish. My thoughts and prayers are with her family.”
