“ *It has been quite a while since I had seen Dee. (Beautiful Memorial Tribute) To the Martin Family, Jeff, Lynn, Mark and Edward, so saddened to have missed her service. I am with you in consciousness and in Spirit. I was so blessed by her friendship and strength, her tender Spirit. Holding you all in thought and prayer, my deepest heart felt condolences. You and your family will always have a special place in my heart. Special Masses are being offered in her name through Our Lady of Consolation. Love Always, Catherine Greene*

“ So sorry to hear of the passing of Mrs. Martin. She was a wonderful lady, a pillar in the community, deeply & charitably entwined with Fraser Public Schools. Her unending sponsorship of school programs is easy to trace and is capped by her work with the Fraser Education Foundation. With that said, I want to share a distant, but powerful 41 year-old. In March of 1983, The Fraser High School hockey team won the school's first state championship. For team followers there was a 2024 Detroit Lion-like magic in the air. Several tributes followed, but Mrs. Martin topped them all by hosting the entire team for lunch at El Charro's. For the team, the fact that this occurred during school hours and missed classes were excused, was the guacamole on the nacho. It was the first time I experienced Mrs. Martin's kind and generous heart. This heart set the tone for establishing El Charro's as a cornerstone of the Fraser business community. Deepest sympathy to former student Jeff and the rest of the Martin family. Your mom's legacy is a phenomenal one. Sorry I am unable to attend.
