“Denny was my brother in law and I made him a promise to always take care and love his sister and 15 years later we are still going strong and I will always keep my promise and wish you Denny we're still here to share in our continued celebrations of our life. God bless you and Cindi and I put your ashes in a grate place by the Ritz Carlton in Miami. You would love it with lots of boats action and beautiful people. We miss you bud and you are in our thoughts always and I hope you are on an adventure we can catch up on someday! Until then I Love you and miss you. Ken”

“Julie, Lauren, Chris & Family;  
It has been a long time but when I learned of the news of Denny's passing, I was deeply saddened. While we have not spoken in many years, I have fond memories of Denny particularly dating back to our days of paragliding. I am sure if I had seen him recently, he would be as friendly and jovial as always, because that is the way he is. He was always such an upbeat guy and was always kind to myself and my family members. I keep you all in my thoughts and prayers moving forward through what will be very difficult, challenging times. The world lost a great guy with Denny's passing.

“Please Rossi family, accept my deepest heartfelt condolences about Denny's passing. He was truly a ray of sunshine EVERY single time I was blessed enough to enjoy his company! Even within the structure of a work environment and in the context of a business relationship, he transcended that and bridged the gap with true human love and warm accessibility. He was interested in how I was, he asked questions about family, he hugged and belly-bopped! He was positive, encouraging, and had an infectious and beautiful energy. I will miss him dearly, and truly mourn your loss. May his faithful departed soul, through the mercy of God, rest in peace.”
