We went to the same church and we would always chat before mass and he always offered me a mint! We always did the hand shake of Peace. “ Dear Pacella family, So deeply sorry to hear of the passing of your sweet Father, Brother, and Uncle. We always knew him as, Derigi. We will always remember him as a kind, caring, and extremely outgoing man. From the great times spent as kids with our Parents, John and JoAnn Corrado, and the entire extended Pacella family, apple picking at the orchard, blueberry picking with the ladies, the guys canoeing the Au Sable, all the laughs, and of course, the wonderful AIO Fish Dinner Dance, that he so proudly hosted for so many years. Thanks for all the great times and memories, dear friend. We know your bright light is shining with all our loved ones right now in heaven! Our love and sincere condolences go out to your beautiful family. Christine & Tom Singleton and family
