“*Was so sorry to hear this bad news. I worked with Derry as a sales trainee in Detroit in the late sixties. I spent a lot of time with him and the other sales reps before leaving Marathon. I thought a lot of him and you. Lind and I have thought alot about both of you over the years but never took time to make connections, so sorry that we didn't. Please accept our condolences!!!!*”

“*Jan, Cara, and Greg, You are much in my thoughts and I wish I weren't so far way. Sorry I could not make it in time on Friday to see Derry before his courageous battle with cancer ended. Most recently, I will remember my visits at Christmas time, hanging out with Derry at the kitchen counter and catching up on our lives. My heart goes out to you all.*”
