“ Hello, I worked in the next department to where Diana worked at DTE Energy for several years. She was one of the kindest and nicest people I have known. I'm very sad for your loss. I will remember November 28, 2010 all of my life because I also lost my wonderful mom last Sunday due to congestive heart failure. I'm sending my deepest sympathy to you. Sincerely, Mary Mumea

“ One of the most wonderful people that I will ever have known. Starting at DTE she was always there for me, saving me from my simple mistakes on my time sheets and un-organization. After Diana left DTE, she still liked to meet some of us for lunch and I would do everything I could to meet and visit with her because she ALWAYS put a smile on my face. With my deepest sympathy for the family, I am sorry for your loss.

“ Many people simply pass through our lives, but there are a special few who enter, leave footprints on our hearts, and we are forever changed. Diana was just such a special person, and I consider myself blessed for having known her.

“ *To George and Family, It is very difficult to express your feelings when someone so dear passes from this life into the arms of the Lord. But we must remember what a Blessing it is to be in the presence of our King, our Lord and Savior Jesus Christ. May God strengthen, bless and keep you all, Barb Gooch*
