“My deepest and sincere condolences to the family, and especially Ron.. I am so sorry for your loss.. We were such great friends from the days on Koontz Street and then when you moved to Harrison Twp... I practically lived at your house, such good times. I'm sorry we all lost touch through the years and was shocked and saddened to see that Dee is gone.. I wish I would have known, to be able to pay my last respects.”

“To my dear friend Diana and her family. I am so sad that you are gone from this earth. That being said I will miss your laugh and smile and your gestures. I will not forget them though! You are but one step ahead of us and you are now resting in the arms of Jesus and the peace that is yours forever. With Love”
