“ *Dear Schneider Family,*

*I just found out today after reading obit for Diane's mothers that Diane had passed. I had tried to contact Diane in the last few years with no response. I thought she was upset with me. I don't know why this info did not get to me but I just wanted to tell you all how sorry I am for your loss. We worked together at CVHS and at one time Jillian worked in my athletic office many moons ago. Diane was one of the sweetest, caring people I have ever known. I wish I had been able to see her before she passed. She is missed terribly I am sure. God bless all of you.*

“ We are sorry for your aching hearts. Our memories are of Diane always looking radiant, always helping in the kitchen and having the knack for decorating prior to, bringing perfect treats, and cleaning up after any family celebration. Her children, Jason & Jillian, were always well behaved, well dressed and a joy to be around (which is a true testament to their loving mother). Diane is already missed I know. Our hope is in heaven and our prayers are with the Schneider's and all of the Kujawa's at this most difficult time. Sending love from Bill & Kurstin (Haney) Shalawylo & family Psalm 34:18 "The Lord is close to the brokenhearted and saves those who are crushed in spirit."

“Diane, I have so many fond memories of you and you talking me into doing the craziest things. But I would have done anything for you, I would do whatever you asked me to do, working on a class reunion for people I didn't even know or inviting companies to attend a monthly Chamber of Commerce meeting. But the best one was when you talked me into starting the Geriatric Cleaning Company when I was already paying someone to clean my house. You asked me and I said OK and never gave it another thought because it was for you! You never failed to tell me how much you loved me, if I needed anything I knew just to ask. I have so many religious medals from you that I cherish because you thought enough of me to give them to me. I will miss our phone calls, our lunches or dinners, the laughs, your kind heart and best of all your stories. I listened to you when you needed a shoulder and offered advice when I could. Diane in this world we meet a few people who really make a difference in our lives and you were that person to me. I will go on after this, I know I'm a better person for having known you but I wish I could have helped you more when you needed it. I'm sorry if I ever let you down . I will miss you forever and you will forever be in my heart. I love you Diane. Linda

“ *My Dear Cousin Diane,*

*As the oldest girl cousin in our family, I will always remember and cherish our family gatherings of "fun and frolic" on Richard Dr. and Houston-Whittier. These are especially fond childhood memories that can never be taken away!*

*May God now bless and keep you in His loving care. I will forever miss you until we are reunited again some day. If you can, Diane, give Brian a big kiss and hug for me!*

“ Diane loved Jim, her kids and grandchildren, and it was fun listening to her talk about how proud she was of each of them when Barbara and I were wrapping presents for Teresa's bridal shower at her house. She and her best friend worked tirelessly to arrange all the sunflowers, Teresa's favorite flower, which were really hard to find in July. She even went out at the last minute to get some artificial ones for the corsages because we ran a little short, and they were beautiful. We will never forget her kindness and generosity in donating her time and creativity to make it so special.

“ Dear Schneider Family,  
I was saddened to hear of Mrs. Schneider's passing. I was a 1997 Chippewa Valley Grad, and I will always remember how much she loved her job, and made all of us students feel so important, just for being us. She took a special interest in us as individuals, when she didn't have to. She was always so kind, warm and understanding!  
Your family remains in my thoughts and prayers. May she rest in peace, and may perpetual light shine upon her.

*Diane and I met over 50 years ago at Rinke Pontiac where we worked. We bought our first houses within one year of each other. We had our first sons within six months of each other and have kept in touch all these years attending our children's graduations, weddings and baby showers. It has been a long road for us and I will miss her beautiful smile. No more suffering for you my friend.*

*Thank you for the memories I will always cherish. From pajama parties in my basement, to the infamous "bus group" throughout grade school where we often sat together, graduation and reconnecting thanks to you for getting the St. Clement Class of '70 together for one after another class reunions, to cajoling me to work on the 50th reunion with you to scrumptious Christmas get togethers while appreciating your newest work of art. Thank you, thank you, thank you. I miss you already💔 You have always had my back so put in a good word for me to God and I will forever keep you in my prayers. Love, Carolyn*

*I have known Diane for 65 years, meeting in grade school. Our friendship continued through high school and then we each went our separate ways. We were reunited at the 1st Class of 1970 reunion. Although I moved out of the area many years ago, we still kept in touch. Diane always was letting me know about get togethers with other classmates and always working on another class reunion, so it seemed! When my husband passed in July, she was constantly checking on me and sending me words of inspiration. Diane was a great friend; I have so many fond memories to treasure. Diane will not be forgotten and I will pray for her and her family. RIP my dear friend  
❤️ Diane*

*My Dear Beautiful Friend that found me after many years. Decades passed but was like we were forever connected in spirit. Memories go back to attending your wedding and playing backgammon at the Townhouse in Centerline with Jim and Danny (my ex). We were connected with a mutual friend that was only discovered recently. Thank you for bringing me into your circle of friends from the Class of 70. I think of you everyday and you are with me in Spirit. I say a rosary when I go St Isidore because I know you would like this. Fly with the Angels and I will always love you, my dear friend.....Cheryl Magyar*
