“ So sorry to hear of Cousin Diane's passing this past weekend. We love all the treasured memory photos posted to her obituary page.

It is with deepest regret that we will be unable to attend her funeral liturgy

today. Prior committment of watching our grandson today prevents us

from attending.

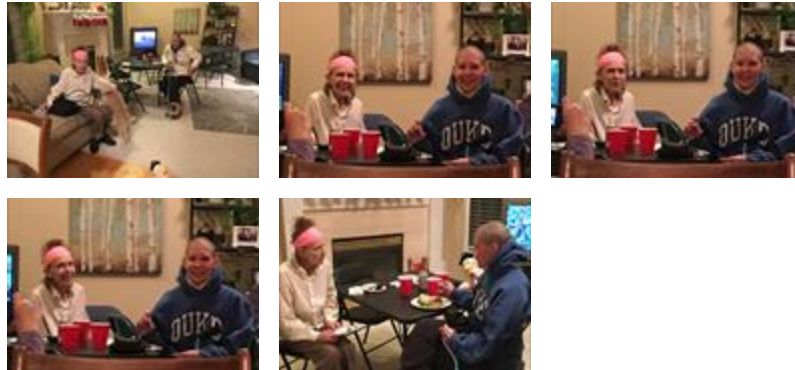

With Love,

Tom and Stasia Lorence

“ *My dearest Dianne,
It's not even been 2 days since you've passed, and last night I found myself reaching for my phone to call you and check up on you before I went to bed. I'm glad I got to spend a lot of time with you in the last few crazy Covid months... and that you entrusted me as one of your main caregivers and as your "business manager". You sure kept me on my toes!
Seeing your body failing, my only goal was to improve your quality of life and lessen your suffering. I could see you slipping away and I'm glad you chose Andy and me be at your side when the time finally came for you to go and take that final breath. Seeing you at Peace was a final gift.
Please give my love to Mom, Dad, Phil, and the other "heavenly angels". Everyone's lives down here are going to be different now. Ken and I have made promises to you so you can relax....no need to worry any more about things down here.
I will try my best to fill your shoes as the "big sister" and tell the stories of the old days. You will live on I my heart, like the lyrics to my favorite songs. That reminds me, say "Hi" to Elvis and Luther Vandross if you see them! And don't kick me too much when I see you again. Love, Barb*
