“ *My family has many fond memories of the friendship we've had with the Baffo's ever since we lived on the same block many years ago. Mr Baffo was a family man and a good person, and he will be missed.*

“ I've known him all my life, as neighbors and dear friends. We have so many fond memories of him and the things he'd say that would crack us all up. He will live forever in our hearts and memories. May God bless your whole family with strength and comfort all of you in your time of loss.

“ Mr Baffo was a kind man with a good heart. I have good memories of him and everyone in the family. I have known them all my life and their family has been like a second family, especially growing up when we were all children. My love and prayers go out to the family in this very difficult time. I know it's hard know, and it will take time, but the good memories will replace the feelings of sorrow and loss. I am very sorry for your loss and I wish for the family to find the peace and strength they need to get through this difficult time.

“ We are so sorry for the loss of our Uncle Domenic. But we know he is going to a better place in heaven where he will be greeted by his brother Charlie and his belated family.
