“On behalf of the Riddock family, we would like to express our deepest sympathy to Mrs. Giannone and her entire family. We had the pleasure of knowing Mr. Giannone through Dakota's football program and he happened to also be neighbors with my mother. It was always a pleasure to see and talk with him after each game. He always had words of encouragement for the players, which both of my sons enjoyed listening to. We will continue to keep your entire family in our prayers.”
