“ *"Dear Trish and family we are so sorry for your loss, we know nothing we can say right now will lessen the pain you are feeling. Even know most of us didn't know Dominic, by watching your video tribute we could tell he loved his family and friends very much and they felt that same love for him and what more could you ask for in a life well lived. We hope you can all find solace in knowing the love he felt for all of you. You will all be in our thoughts and prayers as you move forward in this sad time. Love you Trish"*
