We have only know Don for a handful of years, however one only had to spend a few moments with him to feel his kindness, generosity, and deep love for his family and friends. He was truly a GREAT MAN! You have earned your wings my friend and we have comfort knowing you are dancing with the angels and watching out for us all. With Live from John and Sandra Hollands

“ Don wasn't a brother-in-law, but a brother. I was just a young teenager when my sister Jennie and Don started to date.

Through the years, he was always supportive and blended into our family with love.

Don was always at every family function.

Don was so proud of his family and loved being married to as he referred to Jennie as his sweetie. He was a huge part of our family and we will all miss him.

Rest in peace my brother until we meet again. Love you. ❤️❤️

*Throughout the years my sisters, Florence, Andrea and I have considered Don more of a brother than a brother-in-law. How blessed we were to have known him. He was such a kind hearted, loving man. Everyone loved him. In the sixty plus years that I knew him I never heard him speak bad about anyone. From the day he met my sister Jennie, he adored her beyond words. She was the center of his universe and remained until his passing. His children and grandchildren were his inspiration and number one priority. Family was very important to him. He will be greatly missed by all of us. Sending prayers, love and comfort to my sister, nieces, nephew and all his grandchildren. May you rest in peace Don. You will forever remain in our hearts. ❤️❤️*

*I have been blessed to have known Don through my best friend from high school, Jennie. You could tell how much he adored her. Don was a kind and loving person who cared deeply for his family. He was always kind to Paul and I and always had a smile on his face. I will always remember the fun times that the four of us shared together.*

*You will be greatly missed, friend. Rest in peace! ❤️*
