“ *Don was my boss and a great friend during some of my toughest times. He was a wonderful person, always thinking of others and doing the small thoughtful things for all of his friends and employees. As a Credit Union CEO he always went above and beyond. I will cherish all my many wonderful memories and experiences of and with this wonderful man. Until we meet again, my friend. Sending all my love and prayers to all of Don's family. God Bless you all.*

“ *I worked with Don for a long time, and had the privilege of getting to know him more as a friend. He embodied the credit union philosophy of people serving people. He was always more interested in others than himself. Just a wonderful man and role model. My heart goes out to Sharon and his family. RIP my friend.*

“ I have a fun memory of my sister and I staying with Don, his first wife and their children when my parents were on vacation. He taught me how to play HORSE.
Don, my dad, and some other guys would take turns hosting poker games. When I was in my teens, I'd occasionally get asked to play a hand if someone had to take a bathroom break.
I didn't see Don much as an adult, but I'm glad my wife and I got to reconnect with him and Sharon in the Maples.
Rest in peace Don.
