“ Thank you for for always being there for me and my children. I am sad my children didn't have a father like you. But you stepped right in to help me raise them. I will miss you forever but I know you are no longer in pain and you are with mom. I truly was blessed to have you in my life. I know you will watch over my children and grandbabies with mom, Till we meet again I will always love you more. I have so many beautiful memories
