“ *My Dad was the happiest man I ever knew he loved life.. His wife and kids and family were so important to him. He liked to be busy all the time maybe that’s why he lived so long. I learned so much from him I was truly blessed.  
I will miss him forever. 💕💕💕💕💕💕💕

“ Dear Dad,

*You taught us patience, honesty, value and wisdom. Love of family was greatly important to you as you and mom gave freely of financial and emotional support . Giving was a way of showing love for those around you as well as so many names and faces you didn't know.*

*So many of us received blessings from that generosity.*

*Thank you for always taking the time for listening to us.... And crying with us during times of suffering. Even through loss you remained our steadfast rock, and continued to live life with a purpose.*

*Dad you were our fortress and protector. Thank you for being our hero when we live in a time with so few.*

*You will be forever in our hearts.*
