“ Happy Birthday!

*I wanted to let you know as I walked through the supermarket just today, I picked up the first good-looking poinsettia I found. It now currently rests front and center of the living room for all to see. And since it will be sitting a bit prominent, I could not get one too big. Not because I don't enjoy them, but at least for this year I plan on honoring your own little tradition.*

*Perhaps tradition is the wrong word, I'm not sure. But I will be sure to watch over & take care of it. No big deal in itself I know. But my real "gift" comes as I keep it both way past its due date, and past any reasonable attempts one might make in arguing that it had ever once even been a flower!*

*It may seem like I'm poking fun a bit. If that's the case, I can only ask if you expected any better?! :). Still, I cannot think of a better reminder to say hello and remember you were & are always close by.*

*No matter how it keeps, just know as of today it stands fresh & sharp. If it were possible I'd like nothing more than to share a picture with you. Though just maybe you'll otherwise be able to catch a glimpse. I'm certain you'll enjoy it. I miss you.*

*Happy Birthday!*

*Love,  
Bryan*
