“ Alison, Kris, Rebecca, & family, Thinking of all of you during this extremely difficult time. After working with Duane for almost 12 years, I can tell you that he was indeed a genius. He had things fixed before we even knew they were broken sometimes! And if he couldn't figure something out the first time, he would come back to it the next day and figure it out then...it would just click! I honestly don't know what I will do without him here at work. My job will be much more difficult to accomplish without his support...that's for sure. He will be dearly missed. Please let Dan and me know if there is anything we can do to help you though this difficult time.

“ To the family of Duane, and his brother Darwin. I send to you my deepest condolences for your profound lost. I remember Dunane and his older brother, Darwin, as neighbors when I was an adolescent on Elmwood Street in Port Huron, Michigan. And they were our new neighbors in the neighborhood, moving into a newly constructed home on 20th Avenue. We became neighbor friends through those short years. Being six years older than Duane, and always in the company of his older brother, they would explore the new neighborhood and meet many new friends, with McKinley School being only three blocks away. Remembering one time, the brothers offered me one fresh baked cookie that their mother had just made. I accepted with a smile, knowing the pride of their gracious offer and unselfishness and sharing. When we moved from 2317 Elmwood Street, to a new location at 205 Glenwood Avenue where we rented the next four years, I was allowed to invite all of my friends from the old neighborhood to my birthday party. Duane and Darwin arrived with their smiles on. We had a wonderful time, and I enjoyed their friendship once again. When people move, that distance grows further apart, but the fond memories live on, and on, and on. I would like to send you a picture taken at that special birthday party. Sincere Condolences, Rodney Craig Nofs c/o RC NOFS ARCHITECT 1318 Garfield Street Port Huron, Michigan 48060 (810) 982-1120
