“ Mom, you are going to be missed very deeply from all of us. I'm glad we had the time together. You were our Matriarch of the family, learned how to respect each other, work hard for our dreams and never be afraid of change. This is a big change but you would want us to live life to its fullest potential. You and Dad will always be in our hearts and the memories will keep us together. Until we see each other again, R.I.P.
