“ To Bob, Larry, Cici and families,  
As I think back to my younger years with my sis, Edith; I remember with a smile at the ENDLESS cartwheels she loved to do. Also recall us walking with our sister, Irene through Pingree Park to get to Sunday School pulling brother George's ear to "hurry" along! Had great times at our church picnics on Bob-Lo Island each year. As we got older, she chose me to be her junior bridesmaid at her wedding. We enjoyed many fun times up north as well with our "Bob's". I felt fortunate to reminisce things with her in recent months. May God Bless you with many good and loving memories as my dear sister rests now in peace.
