“ I am so sorry to hear of Ed's death. He was such a great friend, especially when we worked together at Chrysler and later when he owned William's. I am sorry that we didn't do a better job of staying in contact after retirement. Jim Donnellon

“ I was so sorry to hear that Ed Petzer had passed. I will always remember him fondly. Everyone who met and knew him liked him. He was just that kind of person. He was a customer and a friend of mine when my family operated the Berz Macomb Airport. Ed loved to fly and to hang around the airport with his fellow pilot friends. My life is richer for having had the chance to know Ed Petzer. He was a true gentleman and a genuinely good man. My deepest sympathy to Ed's family who I know he loved very much.

“ Because my dad died when I was 3, I always watched my friends fathers and how they were with their wives and children. Mr. Petzer was one of the kindest and had a gentle quality. I loved listening to his funny stories too! One more recent was " when the parked car hit him while he was riding his bike". He just had a special way about him. RIP To Kathy and her sisters, Much love.

“ I met Ed through his daughter Denise Annas over 21 years ago. My first impression of the man was that he was educated, kind and had a witty personality...over the years through Denise I met some of the other family members (daughters) & grand children on a limited basis...the one thing that does stand out in my mind is the kindness and love that each daughter had for their father and mother. The respect the family members had for other people and the helping hand that they are always ready to extend to those in need...shows between the family members..Ed and his wife leave this world with the shining light of a job well done to those who knew them both...Kind, Loving Parents who did a wonderful job on raising their children to love and care for not only family members but others who share their lives...May God Rest His Soul in Peace...Denise I am so Sorry for your Loss I know you loved your Dad Very Much and you will miss him dearly.....May you not grieve too long...knowing that he is in God's Plan... Christina D'Alessandro
