“I just found out about this from Gerry Wejowski who lived across the street. Ed and Marylou lived next store to us (Charlie and Annie Rogensues) they lived @ 22857. My name is Gary Rogensues and I worked @ Ed's Plastic Plant for him during my earlier twenties, and consider him a great mentor and teacher. Ed showed me how to get along in the plant and be part of that group. He took the time and made me feel comfortable. I will be solely miss and all the memories his whole family gave me when living on Firwood. God bless you Ed. You were a very great man.”
