“ Dear Jenny and Amy, I am saddened to hear your mother’s passing. She loved you both unconditionally and totally. You were her bright light. Your mom faced many challenges, and her life had some very hard times, but she always came through those times with her infectious, somewhat goofy laugh and wonderful smile. I will be keeping her and both of you in my prayers.

“ I worked with Eileen at Lakeville High School. She always inspired kindness, friendship and goodness and always demonstrated these qualities in her life, even when times were difficult. She truly made a difference for hundreds of students and staff. She was a wonderful friend to have.

“ Jenny and Amy,
I am so sorry for the loss of your wonderful mother. She was such a good friend and mentor to me. Our time together at Lakeville was filled with great memories. Even after retirement, we would meet for lunch now and then to catch up on what was happening with our families. I enjoyed those lunches because she was such a good listener and if needed a comforting shoulder to cry on. I will miss her friendship but will cherish my many happy memories of her.

“ I knew Eileen from Lakeville High School where she was a counselor for many years. She was such a caring person to both her students, friends and staff. She always went the extra mile to make special memories for our students, like the time Eileen, Sue McDowell and I were class sponsors, she put together a slide show with music of the students past four years. She has touched so many hearts and will never be forgotten. ❤️
I am so sorry for your loss, Amy and Jennifer.
