“ Tom,

My sister, Debbie just sent me this link yesterday. I so remember Elaine from the good old days @ St. Basil's. I think we also went to EDHS together. I remember when my parents gave me a surprise 13 years old party. I was not home & I saw someone get dropped off in my driveway on Roxana as I was approaching my house in someone's car. That last person to arrive was Elaine! Although it has been 40 years since graduating from EDHS & even longer from St. Basil's, I do remember how sweet & kind Elaine was. She pretty much looks the same in this pic as she did way back when. I'm sure we were also Basil cheerleaders together. I don't know what transpired with Elaine's health or why she had to leave you so soon, but, I know she has been watching over you for the last 2 1/2 years & she is very much at peace. You will be together again someday!

*With love & remembrance,
Sandy Stachel*

“ Years ago I enjoyed working with Elaine on bank projects, she was always cheerful and smiling even when things didn't go according to the plan. Our mutual friend Janis Quillian kept me updated on Elaine's progress always saying Elaine's faith and positive outlook kept her going. Wishing your family comfort knowing Elaine is at peace.

“ Elaine will be dearly missed, one of the kindest souls in this world just like our Mumma - her Auntie Jeanie. We believe they walking with Jesus now. Life is short and life is a precious gift. Let's all make each day matter for the Lord for the lives of others as well as our own. One day at a time sweet Jesus. Thank you for Elaine was a light in this world and made a difference in all the lives she touched. Love you Elaine. And our prayers are with all the family and friends in this great loss.

“ There are no words to express how saddened I was to hear about Elaine. I didn't know her for long, but she touched my heart in such a special way. I keep seeing her walking the halls of 6 North with her IV pole & her big contagious smile! Even though she was fighting such a tough battle, she would still think of everyone else first. There was just something about her that made you want to be a better person. We had some good laughs and some great hugs and I will never forget her. We talked about getting together and hanging out somewhere when she was out of the hospital, I guess now we will just have to do it when we meet again in heaven! I am so sorry for your loss. The entire 6 North family will keep all of you in our thoughts and prayers during this difficult time. If you need anything, please let us know...
