“Wow! Where do I begin? From a beautiful, young woman who didn't even know what a bowling ball was, to getting her first trophy for "Most Improved Bowler", to making Jack such a happy man again, while raising not only her own children, but Jack's too! Ellie, you always had a smile on your face! You brought much joy back into the Faupel family. You were stern but also so damn funny to me! You will be missed forever by your family and friends. Rest in peace pretty lady!"
