

## Elisa Luisa Lombardi

January 11, 1933 - April 7, 2020

Elisa Lombardi, Age 87 April 7, 2020

Beloved wife of the late Albert. Loving mother of Margaret and Sandra (Michael) and grandmother of Mark. Dearest daughter of the late Pasquale and Maria (Conti) Rossi, sister of the late Renato and the late Carolina. Born in Ceprano, Italy, moved to Detroit, Michigan in 1950 at 17 years old. Married to Albert in April 1952. Lisa worked at Valente's Men's Formal Wear for many years as a tailor and developed lifetime friendships. She lived in Sterling Heights for many years and most recently in Novi. She was an amazing cook who perfected beautiful Italian meals and loved having her family and friends over for dinners. She enjoyed traveling and most of all, loved being with her family and friends. St. Kenneth Parish in Plymouth was a community that she adored and was loved back by fellow parishioners. She will be greatly missed by her family and friends. A memorial mass celebrating Lisa's life will take place at a later date.

In lieu of flowers, donations in Lisa's memory may be made to Michigan Humane Society, American Red Cross (including blood donations) or National Kidney Foundation of Michigan.

*So sorry to hear of your mom's passing. She truly was a beautiful person. We always looked forward to seeing her at mass and at the Lenten fish fries also. We enjoyed celebrations at the Italian American with her on several occasions – especially her 80th birthday!! Lisa was a very kind, soft spoken and loving women. “ *I am so sorry to hear this. My mom, Giulia, worked with Lisa for years. I often called the tailor shop and had quick but great conversations with Lisa. She was so proud of her family talking often about Sandra and Margie. It was a very close knit little family at the tailor shop. My most sincere condolences.

“*Lisa was like a mother to us. We will always cherish the memories of her friendship and her love. She was a warm and gracious person who treated us like family. Cooking for us, laughing with us, spending holidays with us, and going to church with us. She loved our little dog Lulu so much and the feeling was mutual. Lulu just loved being at Lisa's house.*

*Lisa, we love you and will miss you so much, you will forever be in our hearts.*

*Love,*
