“ Emily was one of the nicest girls I ever met. I remember playing on the Hart Middle School basketball team with her. She was always smiling and was incredibly smart and funny. She made an impact on me and I wish I could tell her that. You will be missed Emily.

“ Dear Solek family,
I was very saddened to hear of your loss. I will forever treasure the precious time I spent with Emily in my third grade classroom. She always set an example of how to treat others with respect and kindness. Her smile and enthusiasm for learning were absolutely contagious. I will always remember those sweet dimples. I know that God will comfort you at this very difficult time. You will be in my thoughts and prayers.

“ Solek Family,

My daughter Caroline played soccer with Emily on the UMWC team these past 3 years and I'm pretty sure we met you at the Foley tournament team lunch last year. We are devastated for your family at the loss of Emily for your family, friends, teammates, and all she touched in her young life. I have been reading this tribute wall and enjoying these wonderful photos and messages. If the measure of one's life is related to the impact they had, your daughter was a rock star. So many people loved and respected her and her impact will be felt forever. I hope you take comfort in that and in your vast network of people who love and support you in these coming days, weeks, and months. Your daughter was one of a kind and the world has lost a beautiful, kind, soul. I believe you will be reunited again and until that day, I pray for you and your family for strength and grace. Your family is in our prayers.

“ I only had the pleasure of being on Emily's RSC team for a few years. In that time it was easy to see how fun, compassionate, and hardworking she was. I found some pictures from that team and thought I would share. The Facebook activity in recent days has shown me how many mutual friends we had. I wish we had the chance to make those connections.

My heart goes out to your family and I wish you peace of mind in the coming years.

“ Emily babysat Berkleigh & Leighton for multiple years. She was one of their favorites as they were always excited to find out she was coming to watch them. While I didn't spend as much time with her as they did I know she had a huge impact on them and was a true role model for them. I am thankful for the moments they were able to share with her. Her beautiful legacy will live on as she truly touched their lives and has reminded our family that every day is a gift. Take pride in knowing you raised a gem and she will live on in our hearts forever. We are so sorry for your loss. Love, Cam, Kristen, Berkleigh & Leighton Kennedy

“ Amy and Brent,

There are no words. We are so sorry to hear of the loss of one of your precious girls, Emily. After spending so much time with Amy over the years, I know there is nothing more important to her than her beautiful, funny, and intelligent daughters. I often saw their school photos smiling back at me in her office over the years and witnessed a few good night phone calls when the girls were younger. This is absolutely tragic and our hearts break for you. Sending love and prayers to your family.

“ Brent and Amy, the Blanchet family is lifting you and your family and Emily's loved ones in prayer. Sadly, the Solek girls never matched up with my 4 kids in school. Although we are only acquaintances I know from many mutual friends that your family has a legacy of smart and athletic girls but more importantly of respectful and classy ladies. Clearly, a reflection of the two of you and your values. And sweet Emily was willing to meet with Ben last fall to talk to him about the Ross program at Michigan. Thank you to you and your family for being a shining light and a true example of family love and friendship to our community. May your family strength and love and your belief in Christ uphold you and guide you through your grief. All of our love and prayers, Dawn, Tim, Alex, Ben, Sam & Jacqueline Blanchet

“ *Solek Family, you all are in my thoughts and prayers during this very difficult time! I was lucky enough to coach Emily with Vardar from 16s-18s and the bonds and friendships she made within that team showed exactly who she was! Emily was someone everyone looked up to, respected, counted on and wanted to be around. Her charisma always came with that big smile, and you always knew when she was there because there was laughter! What I liked most was her ability to push her own limits and challenge herself even when times were tough. I'll never forget watching her go off in a 0-0 game in Phoenix, in a game we needed to win to make the post season that year, finishing with a hat-trick and moving that team one step closer to their goal. Match that with her heroics in the state final for SC and you get just a small glimpse of who Emily was... a leader, a competitor, a friend. I am thankful to have gotten to spend a little time with her as she grew up and am better for it! Rest In Peace Emily, you will be missed dearly!*

Although I did not get the opportunity to meet Emily, I had the pleasure of watching Emily play basketball against some of her friends who played for Reuther's team. “ As we grieve the loss of an amazing young lady that was taken too soon, we also are seeing the “impact” she has had on those around her. @ just “21” she has left a legacy of love, joy and inspiration.

Her radiant smile lit up the darkness!

RIP sweet angel, RIP ❤️

Peace Be with you Brent, Amy, Courtney, Meghan & Lily!!

With Love, Daniel, Kris, Amelia & Abbey

never know how much someone needed that smile you gave them. You never know how much your kindness turned someone's entire life around. You never know how much someone needed that long hug or deep talk. So don't wait to be kind. Don't wait for someone else to be kind first. Don't wait for better circumstances or for someone to change. Just be kind, because you never know how much someone needs it.

“ Our paths crossed many times with few words spoken, words weren't needed.... her laughter, smile, and energy were enough to fill a space. Her community of friends and her love for her family were evident in the way she interacted, leaned in to listen, or reached out her arms to give a hug. Amy and Brent your presence, and love were evident in her every move. I feel privileged to have crossed her path in life. Thank you to the Solek family for sharing dear Emily with us! Emily left an impression with everyone that knew her. Thank you Emily for being such a force in this life. XOXO

“ There are no words that can describe the loss. My daughter Isabella Langusch played with the Emily at Stoney Creek. I remember that rough 2016 State game vs Canton where my daughter took a beating, (concussed) along with Taylor Paradoski. One of the first times I saw my daughter not ready to rush in on a PK and those that know my soccer daughter, know she would have been on that line ready to go but had the upmost confidence in Emily so stood relaxed, no worries, she has this, after all, its her birthday, she is not going to miss. Brent and Amy have not raised their daughter otherwise. They are winners. Sure enough, the tough and reliable Emily Solek, sunk the PK as everyone knew she would. STATE CHAMPIONS!

On a personal note,
Ever see the movie August Rush? In the Movie August Rush, when Robin Williams said, "Do you know what music is, Harmonic connection between all living beings" That is what Emily's smile and presence was like. You could not avoid being captivated by her infectious smile, laughter, genuineness, and goodwill.
So 90% of the August Rush movie has nothing to do with the Solek's or Emily, but for some reason, music, and this movie is what I think of when I think of Emily. Yes, she was a great athlete, great sister, great daughter, etc. but when I think of Emily, I think of that smile and that spirit, and I think of Music and her harmonic connection with people with that smile and goodwill.. My view is not right or wrong, nor is anyone that has posted other perceptions or memories of this fantastic lady that was taken too soon, we all have that one thing that comes to mind when we think of Emily, especially during that tough 2016 D1 Girls State Michigan Championship who was so strong and so precise with her Birthday goal. In the end, her smile and presence was Music and created a harmonic connection. A connection, that will be deeply missed by so many.
This Champion will be gravely missed by so many. Our sincerest condolences to the Solek Family and all people that Emily's smile graced.

“ *My memory of Emily was from a long time ago when my daughter played soccer with her sister Lily, and Emily and her sister put Michigan and Michigan State makeup on all of the girls on the team before the game. It was the day of the UM-MSU football game and here was this teenage girl making the little girls on the soccer team happy by putting makeup on their faces and spending time with them. It is the only time I have ever seen that happen. She was a special person who accomplished much in a life that was far too short. I was please to hear about her accomplishments from her parents and know they were very proud. Nothing can console after the loss of a child. Please know I am praying for your family.*

“ The last memory I have of Emily was full of joy and happiness. I
remember how full of light she looked and her smile is now forever
engrained in my head. Although I wasn't the closest with her I
always admired how people only spoke of her genuine spirit and
kindness. I myself witnessed those same qualities in our
encounters. I will never forget Emily, but angels belong in the sky.

“ Although I have known Brent and Amy for a long time thru PwC, I got to know Emily when she applied for a server position at D'Marcos Restaurant a few years ago. I happen to walk into the room where several people were applying for jobs and noticed Emily who was wearing a University of Michigan sweat shirt and because I am a Notre Dame fan, I commented (jokingly) that we don't hire U of M fans! Without missing a beat, Emily replied, “Well, if you were smart you would, if you want the restaurant to be successful!”

Her response was great and I soon realized that she was Brent and Amys daughter and we both busted out laughing. I loved it! Since that day, and every day I was around her, she always had a contagious smile, quick wit and happy demeanor. She made such a wonderful impression on everybody. She will be greatly missed by all

“ *Breathe Deeply*

"Eternal Friend, grant me ease to breathe deeply of this moment, this light, this miracle of now.

Beneath the din and fury of great movements and harsh news and urgent crises, make me attentive still to good news, to small occasions, and the grace of what is possible for me to be, to do, to give, to receive, that I may miss neither my neighbor's gift nor my enemy's need.

Precious Lord, grant me a sense of humor that adds perspective to compassion, gratitude that adds persistence to courage, quietness of spirit that adds irrepressibility to hope, openness of mind that adds surprise to joy; that with gladness in my heart I may link arm and arm with the One who saw signs of your kingdom in salt and yeast, pearls and seeds, travelers and tax collectors, sowers and harlots, foreigners and fishermen, and who opens my eyes with these signs and my ears with the summons to follow to something more of justice and joy."

Amen.

“ Words can't explain how much Emily meant to all of us. My favorite thing about Emily was her personality. She was beautiful inside and out. I always wanted to be like Em, everyone did. So as I say this, I remember an awesome memory. When I was a her grad party, she was telling me how much she loves cookie dough, I wanted to be like Emily so much, so from that day on, I loved cookie dough too. Can't tell you how many stomach aches that gave me, but I looked up to her so much, that I wanted to be like her. “ We grew up playing basketball with each other and when we hit high school, we were on opposite benches. Games for soccer and basketball against Stoney Creek were always the most fun. Knowing Emily and Courtney were going to give us a heck of a fight in every game was the best part. She was a straight competitor. However, the things I'll remember about Emily the most are her smile, positive and uplifting personality, and how sweet and kind she was. Her family is one of a kind. “ Emily was an incredible friend and teammate both for soccer and basketball. She always knew how to make me feel accepted and loved. She was so compassionate, fun loving, and beautiful. I will never forget seeing her amazing, dimple-filled smile and hearing her wonderful laugh. “ My best memory of Emily isn't just one moment, rather a constant. Emily ALWAYS carried herself with grace, whether it be at school, on the basketball court, or on the soccer field. Regardless of circumstances in the game -- whether our team was way up or way down, or whether it was a physical game or not -- Emily never let us see anything but class. She was just an infectious young lady (and what a smile!) who brought out the best in everyone around her and proved to be quite the role model for so many, including her sisters, who are wonderful as well. I can't imagine the pain this awesome family is going through. If there's anything I can help with, please don't hesitate to contact me. God bless. And thank you for raising such wonderful young ladies.

“ Emily Solek was one of the sweetest friends and teammates I had the pleasure of having in middle school and high school. Her locker was just a few away from mine and I always loved seeing her smile between classes, during practice and anytime. I remember our senior year at Stoney. Emily needed help with calc and I would meet her at the library and help teach her lessons after basketball practice. We always did a secret santa as a team and that year she gave herself me so that she could get me a special gift (way outside of the buget!) to say thank you for helping her with math. She was truly beautiful inside and out, loved by everyone, and so talented. I admired her in so many ways and I hope that she realized how much she inspired me through our friendship.
