“*Eric was a part of our family for 6 years. We have alot of special memories that we will never forget. To name a few: kayaking at Stoney Creek; camping; playing bean bag; cards and even listening to Bob Marley. (Erik singing of course - great voice!!!) Thank you for being a part of Alyssa's life and especially through the difficult times. You showed her true, unconditional love and I couldn't thank you enough for that. Erik, you were full of life, and could always light up a room. His life was taken too soon. But, we have to remember he's in a good place!! We're all going to miss you Erik. We all love you and goodbye is not forever.*”

“Erik, you were truly one of a kind. You always spoke from the heart and had joyous spirit. I will never forget all the cherished memories and numerous amounts of laughs we all shared. I still can't believe you are gone....Erik was always there for my sister through thick and thin. They were each other's constants in life, always finding a way back to one another. Their love was truly one of a kind, true soul-mates forever. Life will never be the same without you, Erik. I have many memories of him and all the times he spent with my family and children... What I remember most was his ability to take any negative situation and turn it into a positive. He had such a warm heart that will forever be amongst us. We love you Erik, you will forever be a part of our family and hold a special place in our hearts... My heart aches for anyone who has met this wonderful person. Goodbye is not forever...”
