“Dearest Ethel, How we will miss your beautiful, infectious laughter floating across our fence, into our home and into our hearts. Your love of family was foremost in who you were and it was obvious to anyone who knew you. Your gracious spirit will live on in all of us. Your legacy of two kind, compassionate, loving sons and your beloved grandchildren will live on to make the world a better place, because of your influence in their lives. We are grateful to have lived next to you for 22 years and to have been touched by your grace and spirit. Dee and Leslie Hardy”
