“ My fondest and most enduring memories of my Uncle Eugene are from my childhood. Smiles, pats, compliments, encouragement, laughter and good humor. I was out of town when I heard the sad news. Very glad to have spent a little quality time with him last January, which leaves a bittersweet touch on this painful loss.

“ Gene was a good and loyal friend to all who new him. I remember how proud he was when his son took his shot gun out back of the house, when he was a lad, and shot his first deer. Not just any deer but a deer with a rack that went into the Boone and Crockett record books. Fare well my Friend.

“ I am very sorry to hear that Gene passed away. When I hired in at G.M. in 1979 He knowing that we were Brother Masons took me all over the tech center to all of the other Brothers and made me feel right at home. He was one of the niceest people I know and no-one ever had any but nice things to say about him. I will miss him very much. He now is in GOD'S hands
