“ *Bev and Family, I was so sorry to hear about Gene, but know that his suffering is over and his new life is just beginning! Although it will be difficult to do without your partner, try to look ahead to the future, as I know Gene would want you to be happy. I remember him as a great guy, very patient and loving. From all of my family, in Texas as well as Michigan, we send all of our love and our prayers out to you and yours! Be strong! Love Always, Cindy*

“ Dearest Bev, How memories live on forever!! I am so sorry that Gene has left and walked thru the veil into new life and had to leave you physically behind. YES I think he will send you many messages, just be awares always I think they POP in real suddenly. Of course I will remember always being a bridesmaid in yours and Genes wedding, it was June and the yr before I started my hs senior yr. I took THE Greyhound bus in so to arrive early before mom and dad coming in later in the weekend. We had such fun and laughs...Gene had a wicked sense of humor I immediately loved...plus him too. The dresses as I think I am correct were a soft blue. The wedding itself was such a BLAST ..so much laughter, booze flowing..NONE 4 me boo hoo.. and a real feast. Such a beautiful loctaion the back outdoors I think had a lake nearby..Then there was the visit Cyril and I paid on our way to a quick honeymoon via Detroit into Canada as he had to return to Fort Benning. We stopped at yours and Genes in Dearborn and had so many laughs. Cyril and Gene hit it off just as they had known each other a long while, they sat out in the driveway CHATING and DRINKING late into the night....laughing at so much. You and I were indoors just visiting and enjoying our visit. I am so terribly sorry that you have lost Gene, but its just a tempory loss as you know, still the emptyness is so hard. Please know Gene will always have a place in my heart as I see him laughing, and I also recall looking at his face as you walked down the aisle on your dads arm, Gene was so AWE stuck I thought. And I thought OHHH someday I want a man to look at me as Gene did you coming down the aisle and I did too in due tme. Parting is such SWEET SORROW...whoever put the word sweet in there should be flogged. My Prayers and Love ARE SENT BY an invisable DOVE. You are in my heart and always have been. God Bless You at this time and forever. Love Your Cousin, Esther, and Cyril too

“ Uncle Gene, I'm so sorry you had to go. We will all miss your smile, phone calls, story telling and great sense of humor. I really want you know that we all love you very much and you will be missed. You will be forever in our hearts. I know you are up there hanging out with grandpa and the rest of our family looking after all of us. I want to thank you for always being so good to all of us and treating us like your own. We are very happy that you got to meet Aliana and Laureen over the summer, they were very fond of you and I know we will all be together again. Every Pepsi can bottle or sign, every lotto ticket, every toothpick and every phone call will forever remind me of you and our times together. It's so hard to say goodbye, I want you to say goodbye to us down here for now and hello to your great new voyage of eternal peace and happiness. Thanks for the laughs, the cries and the forever lasting memories of you. LOVE ALWAYS. Craigie, Laureen, Aliana & Jaxson

“ Uncle Gene, Thank you for your loving memories. You will be missed sadly with heavy hearts from all you have touched. May your voice live on with each phone call made, may your laugh be heard with each joke told, and may your numbers cash in with each lotto played. You will never be forgotten, and always missed. We love you more than you will ever know. Rest in Peace, Your Nephew

“ Dear Gene, My love and best friend. Through the good and the bad, the ups and downs, the thick and thin you were always the best. You were always a character; I will miss all the fun and phone calls. I never thought you would leave us so soon. I wanted you to fight harder and be by my side, but you couldn't take the pain anymore. I wish I would have been there to say "good-bye" and hold you. You will always be in my heart, and I will never forget how you took good care of me when I broke my arm (the rides and waiting for me). You wanted to take me everywhere which I know was very hard for you. Please give me a sign that you are "OK", and that when it's my time you'll be there to greet me (Knockin on Heaven's Door). The years went by too quickly, and I wanted to grow old with you. You would of have been happy to see all your friends and family that came to see you. You looked so handsome, like yourself, and you finally got to wear your special suit....By the way, your hair looked great! It was the way you always wanted it (especially with your spray). You were right. I didn't want to believe that you would be leaving. I didn't want to accept it. I still wanted to take care of you, and have you tell me what to do. God bless you. Thank you for being in my life. Love always, Bev Bev Bev Thanks for taking care of Ma, too. Hope you win the Big Lotto!
