“ Dear Eva, I was so happy when you found me after all these years on FaceBook. I remember Me, You, Sandy, Linnie, Eddie, Larry Jr. hanging out at the creek behind your house. God, this is so sad, but you are an angel now which is what you were here, so sweet. I believe we will all see each other again and everyone has to believe this too. Praying for your entire family.

“ I worked with Eva years ago. She was lots of fun. She always had fun whatever she did. I work with her sister Vicky now and I would ask her once in awhile how Eva is doing . Everyone that knew her will miss her. Sorry for your loss.

“ *Eva was much like a lamp post... Eva always stood solidly on ground, no matter what was going on around her, there she stood,..... Eva was a person who had a light that beamed very brightly and many folks could see her glowing light a mile away. At times in life if I was down, Eva would call and say "come on over we will sit and talk and hang out by the pool",and we did,Eva would have her light shinning very brightly and soon I would forget why I was down,she had the gift of gab and could cheer anyone. Sometime we would sit and talk through the night at those time her light was turned down for the occasion, a nice soft light that shone all through the nite and..... upon awakening Eva would start her day in that very same way, like a lamp post, solid and sturdy her light was confidently on..... I will miss you very much my Good Friend.*

“ *I will miss you, Eva. You were truly a joy and a pleasure to work with. You always manage to bring a smile to my face, or make me laugh. May the soul of Eva Lopez, through the mercy of God, rest in peace. Amen.*

“ *When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us.*
