“ I was so sorry to learn Florence passed on. I went to see her in the hospital just before she passed. I am so glad I got there. She was such a warm and loving human being. She always had a kind word and beautiful smile. I remember her husband Jim was a fine person as well. I (and the world) will miss her loving and caring ways. My deepest sympathy to her family. May our Dear Lord hold her close to His heart.....In Christian Love, Susan Glaser - Redemption Lutheran Church, Detroit, Michigan.

“ I took care of Florence for a few years, it was a pleasure getting to know her and her family! Florence not only was my resident but my friend i wanted to come to the funeral but that would have been to hard for me to handle. My prayers go out to Andrea and the rest of her family Florence is our guardian angel now

“ I grew up going to the same church as Florence. I remember her positive outlook on life when I'd see her at church, and we joked we were the "other Smiths". My prayers are with her surviving relatives that the Holy Spirit grant them the same saving faith that Florence had.
