“ Dearest Uncle Frank, you will be greatly missed. Such great memories with you and Aunt Virginia. You were always the gracious hosts at your home. Whenever I invited you to our house for Labor Day, Memorial Day or Thanksgiving you were always the first one to ask if you could help with anything. It was a pleasure to have you in my home and special memories for all of us. I also remeber fishing with you, Dad and Dennis. You wrote my name on the first fish I ever caught. I had protective Uncle's growing up and I will cherish that always. My love of the family came from the special memories all of us shared on Sunday's at Grandma's house. Peace be with you Uncle Frank. Love, Mary Anne
