“ *You have been in my life, all of my life, Uncle Frank. Christmas mornings growing up, you were there to see all the chaos of the five of us opening gifts. Summers, you and Dad cheering (or groaning) through the Tigers games. Still looking for that picture of us in Tucson during some Golf Tournament in the 80's--I'll find it yet! Many memories of you, Uncle Frank. May you rest in peace.*”

“I will always remember Uncle Frank for his style always dressed to the 9's and of course his S cookies he perfected from his sister Fanny. I have so many memories of Uncle Frank as he was always around my Dad. He and Irene (the love of his life) would play cards at my parents home. Uncle Frank and my Dad would go shopping every week. They always sat down and mapped out their route, to save gas of course. They would always say how tight the other one was. News flash they were both tight. They did know how to save. In the later years of his life he would always tell me "Ida took care of everything, she couldn't be any better to me if she was my own daughter." a few weeks ago he said "please take care of Ida" I said of course we all will. I know Uncle Frank complained a lot but that was just Frank being frank !! he was a good Man. I hope he is playing cards with my Dad now. I love you and will miss you"
