“ *I played the organ for the Men's Polish Choir at Our Lady Queen of Heaven many years ago when Frank was a member. Frank would always have a smile and was so kind and gentle. I also gave beginning piano lessons to Rosanne and Christine. My heart and prayers are with your family. May Frank forever enjoy the music that he so loved.*

“*Mr. Frank was such a wonderful man to grow up next too. He was always there for us when we needed anything, and was our handy man growing up. He would always make the most amazing things out of the most simple items, including our workbench in our garage. I always enjoyed talking to him, his stories and jokes were always memorable, just like him. He definitely lived an incredible life. He will truly be missed, but he is with Mrs. Charlotte now and their love lives on. Mr.Frank, you were an incredible neighbor, grandfather figure, and your life was like a history book. You taught me my first Polish words, and I'll never forget the hard working man that you were. Kocham ciê - Katie*

“*Frank has been my neighbor for about 30yrs and he was the best neighbor anyone could ever ask for. He was always there to lend you a hand. He knew how to fix anything. He would say on a number of times hey Sue did you ever hear this one? Then he would continue telling you his joke. Then of course he always had another joke ready to tell you. Frank also had a beautiful singing voice. Frank enjoyed the simple things in life. I found Frank many times just looking out his family room window watching my dogs running around and playing in my back yard. Then I would make eye contact with Frank and he would always wave and give me one of his great smiles. Oh how he loved when my son would build a bonfire in the backyard. Frank would open his window just to smell the fire burning. He was a good man and I learned alot from him. Frank I am really going to miss you, but your with Charlotte now. You too were meant to be together. Sue*

“ Dearest Rosanne, Christine, Stephen, Karen & Gac family, Please accept our condolences and prayers on the passing of your dear Father. Hopefully the anguish of the moment will soon be replaced with the warmest of memories of his life being a man who always had a smile and kind word to say. We recall so many times together - family times, happy times, the parties with many people, the visits with just each family, the smiles and the laughter. In fact we always seemed to be at your house when Wizard of Oz was on TV! He and you all will remain in our prayers. Larry's Dad also sends his love and prayers. He is still in FL and appreciated your call Rosanne. Big hug and much love, Larry & Colleen Czarnik 2012AP21 03:00 Sydney, AP20 13:00 Detroit

“ I am very sorry for your loss. Frank was a very good neighbor. I remember when we first moved in how he'd stop by or go by on his bike and always call out 'Hi neighbor'. He was such a friendly and jovial person to Bob and I through the years. He will be missed.

“ Steve, I am so very sorry for the loss of your father. I liked your dad. He was funny and cool like you! 86 is a good long life but it always seems too soon for us. He is together with your Mother now in a better place. May God rest his soul and grant him peace. Love Andy and Kim Genova
