“ *My condolences to the Saputo Family. I met Frank through my daughter, Mary Lou who is married to his son Tony. I found Frank to be a very thoughtful and kind person, always willing to do anything for you whether it be painting, plumbing or carpentry. We loved talking about bowling and his part-time job at the Macomb Community College. His humor will be missed.*

“ *My Papa. You will be so missed!*

I have the best memories of my times with him. Even the last time I got to spend time with him this past June, he was full of life and jokes. Frank never knew a stranger and would make everyone smile, especially me and my sister!

He and my grandma were always there for me throughout my whole life. They never missed any of my birthdays, holidays, performances, and graduations.

I miss calling up them and hearing how he was at golf or bowling from my grandma. Frank never stopped even when his back would be hurting, he still got out there.

There are a millions things I miss about him, but a couple things that stand out, I miss doing puzzles together in his basement and getting strawberry waffles on Saturday mornings at Andrea's.

He was beyond special to me.

Thanks for being the BEST PAPA in the whole world!

“ *Pop, you had dementia BUT*

It did not take away your caring nature

It did not take away your love of family

It did not take away your sense of humor

It did not take away your love of children

No more pain, only the joy of heaven!!!!

I had the best part of my father for many years. The trips, golfing, bowling and wonderful dinners.

I will always remember him this way.

Love Ya Pop

“ My brother Frank was a loving, caring, and kind man. Always there with a helping hand and a smile. Maybe even a little song from Louie Prima to make you smile. He will be missed by many. Sending lots of love and hugs to my family and friends of Frank. Rest In Peace my big brother.
