“ *"I have several memories of uncle Frank from my younger years. My favorite is dancing with him on Christmas Eve and standing on his feet to do so. He was loving and silly and I will never forget him."*

“ *"Having a neighborhood crew like you guys made everything so much easier. The best part about having friends from the neighborhood was when your parents all became friends too. Summer cookouts, random get togethers, watermelon parties ;) etc.. were all a blast because all of your friends were guaranteed to be there if their parents were invited. Rest well. Diane (Wilson) Keown"*

“It's so hard to say goodbye to a cousin I have called Uncle, Godfather, and 2nd Dad. You have been a family rock to many of us and we will dearly miss you. I will pray to God that you will be reunited with the people you have sorely missed and have gone before you. Rest In peace my hero, until we meet once again in a better place Your Godson, Dominic”
