“ *Winnette & family - Lindy and I are so saddened with Fred's passing. Fred and I bowled together for many years, and we played golf together for many years too, both here and in Florida! Lindy and I enjoyed having dinner with you and Fred in Venice, Florida a few times after golf. Fred was a true gentleman, not all that common these days. You're in our hearts and minds, and we love you and Fred, still.*

“ Dear Winnette, I cannot even begin to tell you how my heart breaks for you, Brent, Danielle, and Blake. Your devoted husband, wonderful father, loving papa and my little brother will be in our hearts always. The Lord took him much too soon, but we should take solace that he is now in the comforting arms of Our Lord. I will miss him and pray for him daily. With all my love and deepest sympathy. Judy

“ It was a pure pleasure meeting the Hertz family when we moved into Keatington. Fred was a fun guy to meet and talk to - at the neighborhood activities (Lobster Roast, holiday picnics, "Freddie's Ribs" and the Christmas walk). Both Donna and I are saddened that Fred has left us so unexpectedly. We pray that the sorrow will disappear with Winnette and family and be replaced with joyous memories. God Bless All of You!

“ Words can never come close to express one's heartfelt sentiments when something like this happens.

*Although my time spent with your family was a very short, it was such a pleasurable delightful experience.*

*My favorite past time was always sitting at the dinner table with you two, on the back porch talking about the Birds, that were your yearly neighbors :), and Winnette and I kicking Brent and Fred's tale in Euchre after dinner :).*

*Listening to Fred speak about the past times, family, his military experience, politics, what ever came to mind.*

*I am truly sadden by your loss as well as cherish and thankful for those lovely memories with the family.*

*May the spirit of God bring you great comfort and peace during this time.*
