“ Dear Beth & Family,

Please accept my heartfelt condolences on the loss of a wonderful, upbeat, positive and always willing to help person who I loved and will miss. I remember working with Gary @ NAL, still keeping in contact with you guys when you moved and still what a loving and caring husband and father he was. I will miss him and Beth, if you ever need anything or want to talk, please feel free to contact me. My husband died of Pancreatic Cancer 5-yrs ago and I know what losing a soul mate can feel like.

“ *Dear Hoenicke family*

Gary was an awesome JV golf coach at Mercy High School. I will never forget his message of "Relax, Relax, Relax" to the girls. I still have one of the pens he purchased with this message. Thank you for sharing Gary with the Mercy community. He was a great coaching friend and will remain in our prayers.

“ *Coach Hoenicke was always trying to make me a better golfer and a better person. In the few years I was able to share with him on the Mercy golf team I know I grew as a person and I will treasure those lessons. My thoughts and prayers go to his family and I know he will be greatly missed.*

“ I am so sorry for the family's loss. Gary was an amazing guy. When I was in high school at Mercy, he was my golf coach when I played on the JV team. He was a great coach. We had a lot of fun times, even goofing off. We used to call him Coachie. All the girls loved to play for him. I know my mom will miss him as well. She was the varsity coach of the golf team. He was part of the Mercy family and always will be. I will never forget him.
