“ *"I will always remember you for your sense of humor, your good looks, your big smile, and the fact that you saved my daughters life one morning long ago. He was doing some remodeling work at my parents house on the lake and he was up early. Deanna had gotten outside somehow and had toddled down to the dock. Uncle Gary saw her and just caught caught her as she walked off the end of the dock. She was about 18 months old. RIP Uncle ! Love always, Carla"* ”

“I will always remember his smile and the fun when he and the family came out to the lake. The giant scar you would show us kids as we got grossed out and he would just laugh. I have always had very fond memories of you. RIP and prayers to those closest to you as they go through this difficult time.”
