“ *Yes, Miss Webber as Gary always said. So happy Sharon & I talked you into calling him for that date!!!! It may have taken you a little longer in life than us, but you found a "treasure" when you met him. He is such a sweet guy & we know how much you loved him & how much he loved you. He was always so kind & great to be around. He served his country (which we are forever grateful), stood by your side....as he vowed on your wedding day, in sickness & in health, & treated all your friends with respect. We are so blessed that he came into your life as well as ours. We have many happy memories of him. I hope that all the wonderful memories you have of "Mr. Webber" get you through difficult time. Our thoughts & prayers are with you.*

“ Gary was a friend & neighbor. We shared many a story of his love of gardening. He was our Jerry Baker of the neighborhood. We will miss him very much. Rest in peace, dear friend.
