

Pastor George W. Bogle

April 25, 1934 - February 12, 2021

BOGLE, George William, Sr. Pastor Bogle went on to his heavenly reward February 12, 2021, at 86 years of age. Beloved husband of Shirley for more than 65 years. Loving father of George Jr. (Julie), Tim (Amy), Tara, and Kirk (Ashly). Proud and adored grandfather of Brent (Agata), Blair (Morgan), Coleton, Luke, and great grandfather of Mario. Cherished brother of Sharon (William) Middleton, Joe (Joann), the late Bill (Fran), and the late Lucille (Bill) Griffin. He is also survived by his in-laws, and many nieces and nephews. Pastor Bogle moved his family to the City of Detroit in 1970 to minister to families and communities in need of healing. He hosted a nightly call-in prayer broadcast from midnight to 3 A.M. that touched millions of people over nearly six decades of ministry, and which continues in his stead to this day. He taught that every day of living is a gifted opportunity to know God more, and to walk in victory with Jesus. Among his many ministries were a church with three locations, two K-12 academies, a Christian restaurant, gym, singles residence, television and radio broadcasts, coffeehouse ministry at Detroit's legendary Grande Ballroom, an operating farm and kids camp in western Michigan, a community carnival, and various job training ministries for the men of Detroit, including a trucking academy and auto repair shop. He was recipient of two "Spirit of Detroit Awards," the highest honor the Detroit City Council bestows, two "Mayoral Proclamations", and was the subject of "Michigan Senate and House of Representatives Joint Resolution #306", which acknowledges "the high esteem in which he is held by the Michigan

legislature." His family and flock take comfort and pride in his many accomplishments, but Rev. Bogle himself remained steadfast and faithful: to God and to God alone be the glory. Visitation Thursday from 3pm until time of 6:15pm Funeral Service at Detroit World Outreach Church, 23800 W Chicago, Redford Charter Twp., MI. 48239. Interment White Chapel Cemetery, Troy, MI. “ *In the mid-seventies my wife and I heard several late-night radio broadcasts with Pastor Bogle and became regular listeners. One night we went to the Grande Ballroom arriving at 1:00am to meet Pastor Bogle, and after the broadcast he and Shirley took us out to eat. We soon became regulars at the House of Prayer, Evangel Echoes, and the Christian Concerts at the Grande Ballroom. At one point I rented the building across from the parking lot of the House of Prayer to start a garage ministry. I founded Emanuel Auto Service and Pastor Bogle would give the garage free advertising on the air. It was a blessed time of spiritual growth for me and now cherished memories.*

Around 2000, after moving back to the Detroit area from Dallas, Texas, I was amazed and blessed after 20 years to hear the voice of Pastor Bogle still preaching and praying on the radio. I called him on the air and had a few minutes' reminiscing with him of those days' past.

Another time I called in for prayer for my son serving in a war zone in Iraq with the Army. Pastor Bogle prayed and prophesied that my son would return from the war unscathed. My son did return unscathed.

Pastor George Bogle was a true man of God, one of the best preachers I've ever heard, and it was a privilege to know him. I look forward to seeing him again on that day of the Lord's return. Blessings to the Bogle family.

“ I had the privilege of singing on Friday nights on Pastor Bogle’s Spirit of Detroit television show. My late husband and I worked the prayer lines while I waited for my window to sing.

At the end of the show we’d often grab a bite to eat with George and Shirley while our two sons played with Kirk and Tara.

Pastor Bogle believed God! It’s as simple as that. God said it, and George believed Him. As a result he prayed and saw the blind healed and cancer afflicted folks healed.

He believed God!

“ *Evangel Church in Detroit was the first church I felt the Holy Spirit. Loved the uplifting praise and messages from George Bogle. My first church I tithed to (even before getting saved). I will always remember how hard Pastor worked. He would repair a car engine, in a suit then preach directly afterwards. He would say God made polyester suits for a reason. So funny*

“ *Rest in peace Sir
You talked with me one day over the radio as I contemplated ending my life after using drugs for a very long time. You convinced me that my life was worth saving and living for Jesus was the way. I was uplifted and went on to be ordained later in life. Thank you for your service onto the Lord and leading me to the Lord. I am forever grateful for your ministry*

“ When I was a kid, I lived on Dumbarton near Grand River Ave. Not
too far from the from The House of Prayer.

*Wow! what a memory. When I was about 11 or 12 years old, I
remember coming in on Saturday mornings along with a few other
youths to clean and vacuum the House of Prayer. Getting the
church prepared for Sunday morning service. He was also the first
to baptize me. I'm now almost 63 years old and still have Fond
memories of Pastor Bogle.*

across this sad news. I'm keeping the family in my prayers..*

“ My name is Patty I am from Taylor Michigan and I lived in the apartments and volunteered for the ministry when I was a young woman. I live in Houston Texas now and I am a Christian artist. I learned so much from just watching George and Shirley and I babysat for Tara and Kirk as we went to Pontiac and they did the television show. It was such a joy just to be around the people because they genuinely loved others. I thank God that I have the privilege of knowing this family. I always said to myself George Bogle is my real father. My mother is a great Christian woman, and it's a blessing to have the bogles touch my life. And for Shirley, I will never ever forget her pumping that organ and singing I am redeemed, it's my song that I sing now but I still hurt here and see Shirley singing with all of her heart I am redeemed, we are redeemed Church. We are deemed redeemed with The incorruptible blood of Jesus. It's not a religion it's a relationship. It's a love relationship, and this is how we should relate to each other a love relationship put the hypocrisy aside. Put the false judgment behind you, put your differences behind you, walk in peace in love with each other instead of pointing the finger and gossiping, pray for one another like the old Jewish rabbi was 106 years old he says don't yell, don't talk about people just say God bless you and may you prosper. I loved pastor Bogle so much too like all others. I never met Pastor Bogle, but I will always remember him. I loved listening at night vision and calling in for prayer. He was a God sent man and a loving and caring person to all the people that called in for prayer. God bless his soul. Love Marion of Detroit Michigan. And God bless his entire family. And shout out to Shirley Bogle and George Bogle Jr. God bless.

“ *I'm writing my testimony to leave to my grandchildren and I wanted to include a section on Brother Bogle - so they would know that a man of God can exist in this world. I met pastor and Shirley in the early 70s at their Stansberry location while I was in college. Pastor baptized me. I'll always remember the time he had Shirley sing "The Lighthouse" hymn 3 or 4 times in a row at the start of a service. He was sobbing and soon we all were. Loved listening to his prayer radio shows to the wee hours. An inspiration to all.*

“ Thank you God for pastor Bogle. I can't tell you how many nights over the last 30 years almost ,...hearing his voice and feeling such a gifted Spirit of love in Christ. So much work to do and he never got tired it seemed. Don't know how much rest we get in heaven or if you would even want the rest when you see Jesus. However May the tears of saying goodbye for now to such a dear man and brother in the Lord, may God give family and loved ones tears of great comfort peace and joy in to far outweigh the tears of saying goodbye for now. “ I didn't hear until today, March 28, 2021, of Pastor Bogle's transition to be with the Lord. I became aware of him through my mother who would listen to him praying for call-ins on WBFG in the early 1970's. I learned of the Saturday night Coffee House where youngsters from various ethnic backgrounds and churches would gather. As I recall a period of socializing was followed by informal worship services for which I would be asked at some points to play the organ. I gained friendships that last until now, 50 years later.

Pastor Bogle's dedication to ministry was most extraordinary. It touched every facet of life. Thank God for his passion and perseverance. But, it could not have happened without the support of his dear wife, Shirley. God bless you dear sister and the Bogle family.

“ God bless you all. I'm saddened to hear that pastor Bogle has gone home to glory but I know that he's in heaven preaching away. I'll never forget that night I was feeling so down and depressed and I turned on the radio and couldn't get any good reception but I kept turning and I heard a song playing that really designated in my spirit so I continued to listen then I began to hear the most sincere voice start speaking , praying and introducing the ministry, taking calls , praying and ministering to people and I called in for prayer and I felt so much better so I continued to listen every night. As I continued to listen I heard so many testimonies of how pastor Bogle helped so many people all over the world come to Christ right inside his garage and he often spoke of sister Shirley who supported his calling . I was so excited when I visited and made the decision to join and become a member of evangel church in Detroit and found out that pastor Bogle was the pastor along with Pastor Brooks. I remember after pastor Bogle had taken ill and was out for a spell when he returned he said nothing could keep him from serving the Lord and he'll be serving the Lord with all his heart until the day he died. He said that all the people would say here comes pastor 300 I got a kick out of that. Pastor Bogle was a great man of faith. He loved God, people and his family are he will surly be missed. I pray that God will bless and comfort you all during your time of bereavement and thank you all for sharing pastor Bogle with us. God bless you all !! Love sister Tika Joubert 🙏💙

“ *Pastor Bogle was a great man of God...he was always a beacon of hope when our family needed it..just to be able to turn the radio on and hear his voice and him praying with people, along with all his wisdom of God...he will be missed deeply. Iv been out of town for a few years and just thought tonight to search for his station to find out of his passing. My mom (Cenaida) passed away the winter before last , and she loved to hear his station thru my phone . We visited both of his churches and could never find a church with the feeling like his...These days are shorter even more than before with all the Prophecies being fulfilled.....he just got a head start ahead of us. And now he is sitting with the Lord in all the Lords Heavenly Glory...now he is the Blessed man.*

Mom had a paper he sent her many years ago when she asked for prayer and she had it framed. Now I have it to keep.

I pray the Lord gives the family peace and comfort knowing where he is now.

I helped my sister Louise Moore, who was his secretary in Taylor Mi, put together a Christmas craft show to raise funds for the school. NO SECULAR ITEMS were to be made. Well, I didnt know this and made a bunch of " reindeer clothespin ornaments" until they were presented to him, in front of the church. I put a lot 9f time into those things an wasnt about to get rid of them. Much to his surprise, I was a tough cookie to handle..upon the presentation, it was my turn to show my wares. I stood up boldly, he gave me a sideways glance, but couldnt help but grin as I showed off my..LONG EARRED DONKEYS. Afterwards he approached an said..Nice save..an walked away. “ I could literally write a book about how Pastor Bogle’s life has impacted me life because of his faithful service to the Lord. There are so many intersections from the school on the east side that my friends would play basketball at to keep out of trouble to my mother who was saved at a New Year’s Eve at Second Canaan MBC in 1991. My mother went home to be with the Lord 3 years ago and I sure do hope she gets to see Pastor Bogle. I’m sure she would tell him how she was so encouraged to lived a saved life after having such a traumatic childhood and messy adulthood (she got saved at 37) when she would be up at night unable to sleep so she’s listen to Night Vision. She had a lot of night terrors so it was the preaching of the unadulterated word of God and the prayer line that was open to soothe her. She sowed in tears and she showed financially, and God rewarded her faithfully through me. She began watching Pastor Bogle on CTN and told me about the station in 1998. Fresh out of college I began volunteering at CTN in 1999. That’s where I met members of Evangel and would here about how great of a church it was. When I moved back to Detroit in 2002 after working at CTN, I was determined to join Evangel but Holy Spirit said I was to go back to Second Canaan with my mom. As a manager, I was able to one of Pastor Bogle’s pastoral celebration at Greenfield Village and I never forgot the video montage his son made for him. I purchased the DVD because I was always so moved that a man, real flesh and blood, could be so devoted to God, his wife, his family and his calling. How he unashamedly kissed Mrs. Shirley on TV tickled me to no end, especially when someone called to rebuke him for doing so. He was so disturbed by it that he kissed her over and knee again to her delight. It was one of the most satisfying moments on Christian TV for me. Lol! knee Eventually, I the Lord would call me to labor at Evangel under his predecessor Pastor Christopher Brooks in 2010. I could go on and on about the blessings and benefits that came from me serving there and my mother could not be more excited to see her faithful seeds bring a bountiful harvest. I was released from my labor there in September 2016, and honestly, I grieved that transition just like I did a death of a person because I knew I wasn’t going to have access to the glory that rested in that

place. But everything was and is in God's timing. So to the family, thank you so much for sharing your husband, father, grandfather, brother, uncle and friend with us. You could've made it hard for him to do what he did jt your undying support of him made it possible for so many people to know Jesus authentically. Even now, my thoughts turn to Mrs. Shirley as I am now a wife and mother. I know God's heart is for the parentless and spouseless and I have confidence that you will continue to see His faithfulness toward you, all of you. Shalom 🙏

“ I took my 2 year old daughter for Pastor to pray for her. Drs. told me she had a diseased kidney. Drs. We're doing test in her the next morning. Pastor Bogel layed his hands upon her and prayed. When the Dr. called me with the results of her test, they found nothing wrong. I will never forget that night that he prayed for God to heal her. And God answered his prayer and healed my baby. Pastor Bogel was truly a man of God.

“ I grew up listening to Pastor Bogel. I was blessed to meet him and his family at a church in Taylor when u was a teenager . My father called on Pastor to pray for my sister when she was a baby and was having Kidney issues. Another time when my daughter almost died when she was 6 days old. Both times healing took place. “ Greg Tousignant

I was very privileged and extremely blessed to be a part of Crusade for Christ / Evangel Ministries for over 11 years. Those were some of the most profound and critically important years of my Christian walk!

Under Pastor George Bogle's spiritual covering, guidance, teaching and preaching my life and walk with Jesus was radically transformed!

Pastor Bogle was always on the cutting-edge of presenting the pure, undefiled, uncompromised and unadulterated Word of God! He was a true Pioneer in so many ways in the city of Detroit and beyond especially when it came to racial, relational and denominational healing, reconciliation and restoration!

His intense passion for God, the Church of Jesus and the lost was immeasurable!

The testimony and ministry of his life always gave glory to God and greatly impacted and influenced every life he touched!

Both Pastor George and his wife Shirley were unrelenting, tenacious Trail Blazers!

And now Pastor Bogle's earthly trail ended in a blaze of glory!

Thank you, Pastor Bogle, for a life well-lived!

We are all eternally grateful!

“ To The Bogle Family,

I was so blessed to meet Pastor Bogle back in the 1970's when the House of Prayer was on Grand River in Detroit and Crusade for Christ was on Stansbury street which later was named Evangel Ministries. My best friend played drums in the church band, The Chosen Few, and she invited me to attend the services. I was a senior in high school at the time and will never forget the night Pastor Bogle made an altar call and I accepted Christ as my Lord and Savior. He laid hands on me and prayed and I received the Holy Spirit and instantly spoke in tongues!

I will be forever grateful to this man of God who was obedient to the call on his life to the very end. Many thanks to his loving wife Shirley, who was always there with him. I know the Lord is saying " Well done, good and faithful servant!"

Continued prayers and blessings to you all.

“ *To Sister Shirley and Family,*

My husband started listening to Pastor Bogle in the early '90s when he had a prayer ministry on radio. That eventually led us to drive from Toledo, Ohio to Taylor, Michigan every Sunday to hear this anointed man of GOD preach/teach the WORD of GOD. We the purchased the tape of the sermon after each service. My husband and I continue to listen to the tapes. Pastor Bogle's sermons and the tapes helped us learn more about the ways and things of GOD. Pastor Bogle is with the LORD now, but he continues to minister to us as we listen to the tapes. May God comfort and keep you all

Brother George and Shirley will always have a special place in our hearts as both Tim and I met at the House of Prayer and Brother George married us 48 years ago. “ In Oct 5, 1977 I gave my heart to Jesus at that time I was active in Neil Silverberg’s ministry. I couldn’t get enough of Jesus so I signed up to work the prayer lines 12-2 at the Grande...not enough for me. So George asked me to join his ministry and move to Faith Farms! He asked me on a Friday and I moved to the farm Sunday after the service. Life in the ministry was absolutely hands down the best time of my entire life. George was so amazing to watch him make things happen. I saw him rip off his suit coat and go under the backhoe in his white shirt and dress pants to fix it and come up a mud mess. He was probably the smartest man I ever knew. One thing for sure when he rebuked you, you never revisited that bad decision again. But when he held your hand and prayed for you it was a mic drop every time. I still talk to a few of my friends from the farm and House of Prayer days. Even though we have all went our ways the one thing that connected all of us it was George. I remained at the farm and actually bought his trailer and lived there until 1985.

It’s funny that one month ago I was lead to return to the farm to look around and remember. That made only twice that I have returned in 35 years. I am a better person because of George I will miss him.

“ I would have not married my wife Shelly if not for Pastor Bogle. When I came to Detroit to visit a friend in 1976, during the night service, Pastor Bogle told my friend he wanted me to preach, After the summer of that year, I came to hold two weeks of meetings and a month later I was associate pastor. George Bogle blessed my life giving me the opportunity I needed when I first started. It was pure joy working with him. I recall the four hours of Bible study each day at the Grande and the radio show followed many nights with going to Greektown and then to the farm. Pastor Bogle worked harder than any man I ever knew; indeed, after chasing him around for two or three months I remember him putting me in a hotel and I slept for three days. It has been such a joy recalling the time I had together at the House of Prayer and Evangel Echoes. George gave many men their start in ministry. I know that George had a large heavenly award awaiting him in heaven when he left the bonds of this earth. RIP dear friend (Neil Silverberg)

“ I started listening to sermons preached by Pastor Bogle on the radio at a time when I was desperately seeking a church home. His transparency and godly examples led me to Evangel Ministries. There, I learned what it really meant to be a child of the Most High King and how to delight in serving Him and others. Pastor George Bogle changed my life and started me on the path that I now walk. I thank God for him and for his love for all people.

Though this is a sad time it is also one of great joy for a true man of God has received his crowns; I can imagine the Crown of Rejoicing or “Soul Winners Crown” is his most prized. “ Shirley, George Jr., Tim, Kirk, Tara & families..Crit & I were so sorry to hear of Pastor Bogle's passing. So many memories..so much to say. Not sure where to start? I guess back in 1980 when I first saw Pastor & Shirley on the nightly broadcast. I was "turning the channels" and came across the broadcast. Soon after Crit & I began to attend Evangel, along with our young sons, Jamie & Jeremy. God moved in our hearts, our lives and our home, all from watching the broadcast and listening to the radio program. Pastor Bogle baptized both, Crit & I. I have told the story many times of how good I felt after being baptized. I literally saw the "old Linda" that was buried with Christ in baptism, raised into newness of life. I can't explain how clean I felt after Pastor Bogle lifted me up from the water..I can still hear him say.."Hallelujah-Hallelujah"!,,"Thank you Jesus". He baptized many of our family members also. God used Pastor Bogle to touch my family in so many ways. Prayers for healing, for God's peace, and His strength.

The times of attending church, visiting the farm in Sherwood and staying at the "Doll House" with Harvey, Brenda and their family. The fellowship at Rams Horn after the TV broadcast, our younger kids spending time together, the many fun sleepovers with the Sargent kids as well as the Jordan"s.. the many Christmas programs, teen outreaches in the inter-city, being a part of developing the Taylor Church, so many friendships..Peggy & Melissa became such good friends along with many others, so many wonderful memories.

Crit will tell anyone..."When Pastor Bogle preached..he preached". "Take what he preaches, what he teaches, apply it to your life and God will Bless", and He did. Shirley, when you led us in worship, we always felt the move of God. When you prayed while sitting at the organ..God touched our hearts in ways you can't even imagine. We still talk about those times today. God's word isn't preached today, like it was through Evangel and Pastor Bogle.

Life moves us all in different directions..things change..but one thing

that will never change, is how God used Pastor Bogle and your family to touch soooo many hearts and lives. The many times of calling in the broadcast late at night..standing in the prayer line and the way God answered prayer will forever be in our hearts..we had our struggles at times, but God used those times to grow us. To show us, that God was the one in control, He was the one to trust.

Pastor Bogle preached one message that stood out to me from the first time I heard it.."Get the room ready". He preached how it takes longer to "prepare a room" than it does to paint a room, to make it look new..

Pastor Bogle..you helped "prepare many rooms"..rooms in our hearts..rooms in our homes..to get ready for the room! "Our room in Heaven"..You are now in "Your room"..one that you told us about many many times..Your room was ready..you were welcomed home by the one you loved..the one you shared with hearts that did not know Christ..your room was ready...Rest in peace and thank you for all that you did for us..our family..you will never be forgotten..

To the family...we are so sorry for your loss..May God give each of you a peace that only He can give..Strength to get through the tomorrows..thanks for the memories..continue on with the legacy of knowing Jesus..

*Love & prayers

“ I started listening to Pastor Bogle as a college student in 1990. What a comfort he was to all of us and a gift to the city of Detroit. I met him briefly in 2005 and teased him about having the same initials of our then president, George Bush. I remember the night of Sept. 11th, 2001 when Pasror came on and spoke reassuringly to us on that tragic day. I did meet Pastor again when he was hospitalized 2 years ago and I told everyone who he was so he could get special treatment. I also met his wife many years ago. What a blessing he was to his family, friends, and listeners. I am so glad his son and other family members are carrying on his legacy. We were lucky to have him for so many years. “ I will never forget the time I came out to the old De La Salle school that was being converted into a Christian school as I was looking for Pastor Bogle because I had heard he needed help in locating a sewer line break behind the school.

I had put together a battery operated pvc submarine that I thought he could use to find the distance to the break and then dig in the correct spot.

So I ask someone in the school: "where is Pastor Bogle" and they replied: "out back"

I went out back and Pastor Bogle was nowhere to be seen but I noticed a mound of dirt and a hole...

I approach the hole with my submarine in hand and as I peered over the edge I saw Pastor Bogle knee deep in water, muck and sewage as he was working on the sewer pipe.

I thought to myself, "here is a real man of God who isn't afraid to do whatever needs to be done, even if he has to do it alone, all because of his love for God and His people".

I showed George my submarine and he paid high complements to its construction but he ended up not needing it as he had found the break...

Pastor Bogle was a one of a kind, who was not afraid to admit his faults and his own need for a savior.
He is sorely missed...

He was a man intimately acquainted with his own failings and his great need and desire for the love, mercy and grace of God to be active in his walk with God.

He was a man who taught us from his own experience, our own great need for an intimate relationship with God through Jesus

Christ, that he shared freely with everyone he knew....

May God bless his family during this time of loss and sorrow and may all the great memories, of all the good times, flood their souls with joy and the hope of seeing him again.
