“ My dear cousins, Elizabeth, Liliana, Roberto, Marisa and Tony, there are no words to express how sad I feel about the passing of my wonderful cousin George. I have very fond memories of meeting him in Italy in days gone past. I was so happy to have been able to have seen him a few years ago.

This following quote comes to mind.

Life is fleeting. And if you're ever distressed, cast your eyes to the summer sky when the stars are strung across the velvety night. And when a shooting star streaks through the blackness, turning night into day, make a wish, and think of me. Make your life spectacular

George, May you rest in peace my dear cousin. I will never forget you

“ My Dear "FAV" cousin, George, I am completely heartbroken :(/ - You were always the life of the party. It's true when I told Lisa, Lela, Bob, Marisa and Tony "George was the one who always would lite up a room with his comedic kind heart". There was no one like you. I would of wished to have the opportunity to hug & hold your hand, talk to you to tell you how much you meant to me and my family. I know my Mom was waiting for you at the gates of Heaven to greet & hug you along with Tio, Tia, pa & brother Tony. I can see you ALL dancing now. I know you will ALL be watching over us kids. PLS give my Mamacita a BIG hug & kiss from me, I miss her dearly. You will NEVER be forgotten - I love you George !! With ALL my Love, Cuz Linda XOXO

“ *Elizabeth, Liliana, Robert, Marisa and Anthony, there are no words to express the deep sadness I feel on learning of George's passing. I hope this poem brings you some comfort.*

My Brother

As kids, we lived together. We fought, we laughed, we cried. We did not always show the love that we both had inside. We shared our dreams and plans and some secrets too. All the memories we share, is what bonds me now to you. We grew to find we have a love that is very strong today. It's a love shared by our family that will never fade away. You are my brother not by choice but by the nature of our birth. I could not have chosen a better one you were the best on earth.

With Deepest sympathy, Denise DiPasquale

To George's sisters and brothers, his dear family, what a brave battle he fought. Such a wonderful human being. May he rest in peace reunited with parents, Umberto and Ana. And may you all be as strong as he was, as you grieve his loss. But remember, he didn't really leave, he will always be with you all, from another dimension. He will know how much you cared. He's still part of your lives. Thinking of you all with caring and love, Delia and Ercole De Santis and family.

“ There are no words to console our heartbreak and loss. In the words of our dear cousin - Linda - “ George was the one who always would lite up a room with his comedic kind heart” Your doctors labeled you a super human being to us you were labeled our Superman. You fought such a long and hard battle till the end. Your body could no longer endure. George nothing can separate us from each other even though you are physically gone. You will never ever be forgotten. Our lives of laughter- fun- pranks and family gatherings of playing our favorite (Left-right-Center) will never be the same. Rest In Peace hermano you are with Ma and Pa now. Watch over us. Until we meet again. You will be missed terribly. Remember to us you will always be our George. Love your big Sis - Zabetta (Lisa)
