“ To Pat, George always had a smile and an encouraging word for me. I have fond memories of BBQ's at your house, fun in the pool and lots of smiles, laughing and bonding. George will be missed but will be a guardian angel for his entire family. RIP. Sincerely, Brian C. Bagans

“ George believed in me as a young person giving me the opportunity to coach his daughters softball team when I was only sixteen. I loved that experience and it led to a lifelong journey of me working with and coaching youths. George was a very kind giving man and I am so happy our lives crossed paths so many years ago.
