“ George was an excellent attorney who always had that smile and positive attitude making him a joy to work with. He was part of the legacy of civility making Macomb County such a nice place to practice law. He was a great example and friend to many. Jack Dolan

“ There has never been anyone that could make us laugh like George did by simply walking into a room! He always had that sly smile on his face. He could not be outdone on a dance floor as everyone knows. Our ten year plus run of spending the weekend at Soaring Eagles celebrating George and Bill's birthdays was so much fun. Your smile, your laugh and your sense of humor cannot be matched. Karen and Bill Jamieson

So sorry I was not able to attend the Masonic service for George. He was always quick with a comment usually funny.  
A great Attorney!  
We were great friends since our days in law school. Yes George was a fabulous dancer as Bill Jameson stated. But George had a serious side when it came to representing his clients.  
My wife Mary and I will forever miss George. Our thoughts and prayers go out to George's family.

“George you were a friend to many and like a father to me. You were a shine of light when ever present in our company. You taught me many things but most of all to enjoy life as it should be cherished every day. Never sweat the small stuff and live large. We have had Soooo many great times. Vickie and I loved you very much as did everyone. We will always give thanks to having you present on our supper Sundays and so much more. God bless you and your family..... Love William(9FB) & Vickie DeSchutter

“George, Dave and I were so blessed to have you in our lives. We could not have asked for a better friend, boat neighbor and mentor. You taught us to live life to the fullest and always find time to dance in life. So many trips, late nights and laughter. You touched so many lives. You will be missed more than we can say in words. Prayers to your family and to all you have left behind. Love always Diana & David Kidd”
